New Office Space – TELUS (Burnaby 4th Floor)

Skills Canada BC has a new home on the 4th floor of the TELUS building in Burnaby. The space is beautiful but at times, noisy. Headphones and making use of the soundproof breakout rooms will help SCBC staff overcome any challenges encountered working in this new space.

Inspire

The Inspire program is in high demand around the province. New initiatives include showing Skills Canada video footage at the beginning and end of each presentation with introductory comments about the Skills Canada BC organization and its competitions.
