

**Treasurer's Report**  
**May 22, 2019**

2018 Audited financial statements will be available in the coming weeks.

The 2018 audited financial statements were not ready for the May 22, 2019 Special Meeting so the Special Meeting will be rescheduled for June 2019.

Revenue from the 2019 Provincials was \$20,000. These were made through automated payments that greatly reduced administration resources and costs.

Talks are underway with BC Government to raise \$250,000 for the 2020 Nationals.

The Treasurer recommends creating a Sponsorship Working Group to review SCBC's existing sponsorship packages and revenue generation models.
