

**Minutes
Legacy Committee
April 12, 2021
By Zoom
12:00 – 12:30 PM**

Present: Elaine Allan, Lesa Lacey, Dennis Innes

Regrets: Brad Moe, Pat Barringer

1. Overview/Purpose of Committee

Executive Director provided an overview of the Legacy Committee's purpose and history.

2. Planning

The Committee discussed various strategies it could pursue to try and obtain some legacy funding in the lead up to the Nationals 2022.

The Committee identified that creating a plan that identified several different contributors to the Legacy Fund might be the best way to encourage government to come to the table and provide funding for this special initiative.

3. Legacy Funding / Use

The Committee identified that SCBC could use legacy funding to purchase equipment it would otherwise have to rent to host its provincial competitions. For example, if SCBC could purchase stoves, fridges, baking racks and ovens, it could lower its provincial competition operating costs every year.

Possible partnerships may include: Skills Competence Canada, Skills Canada BC, an appliance dealer (possibly Trail Appliances) the AEST.

4. Next Steps

Executive Director to speak with contact at AEST to discuss possible support.

5. Meeting Adjourned.

12:30 PM.
