Subject: Email 1242 - SCNC and NTC meeting update

Hello everyone,

As you may know, the pandemic is constantly evolving. Most likely you are eager to receive additional information on the hosting of the SCNC. We are in the planning phase as to what SCNC will look like. We are working hard to be able to give you an update as soon as it becomes possible. It is still our intentions to host an NTC meeting before the end of the year. We will share the date with you as soon as possible so you can add it to your calendar. Every NTC member will be invited to participate to this meeting.

I am sorry if we do not have more definite answers yet, but we are eager to work with you very soon in promoting skilled trades and technology.

Should you have any concerns or questions, don't hesitate to contact me directly.

Take care everyone,

Karine
