#### CONTEST RULES & EVALUATION

**DURATION: 6 HOURS**

Competitors work alone. This is not a team event. The suggested time for this contest is (6) hours.

The contest focuses on practical work to assess the contestants' ability to perform certain tasks in the field of apparel design, and provide fashion design students with an opportunity to apply their technical skills and creativity in the development of a marketable garment for the fashion industry.

Approximately the first 15 minutes of the contest period should be used as a Contest Problem Review Meeting. Competitors are encouraged to ask questions regarding the contest project, and the shop they are working in. Coaches will not be permitted to offer advice to their competitors once contest has begun.

**On the day of the competition, each contestant will be required to:**

- Design and create a pattern for from a basic block (basic pattern) supplied, suitable for a junior contemporary market.
- Provide a brief description of their design process
- Cut and assemble the garment from the pattern they designed using the provided materials.
- Show the completed garment on the hanger provided with technical sketches

All submissions must be identified only by competitor number. Any other method of identification should immediately disqualify the competitor.
