### The Inspire Program

Skills Canada BC has begun another busy year delivering the Inspire program to K-12 students throughout British Columbia.

[Inspire's](#) one-hour classroom workshop format provides an excellent first step for students to explore the emerging job market within the skilled trades and technology fields through fun and thought-provoking hands-on activities.

Skills Canada BC's **Inspire** program promotes discussion, through the use of compelling video content and curriculum that encourages students to explore careers in the trades and technology sectors they may have never otherwise considered.

The **Inspire** program reaches onwards of 18,000 students throughout the province each year.
