Given that the BC Government is not recommending cancelling events for students and schools Skills Canada BC is planning that the Provincials 2020 will go ahead on April 15, 2020 unless otherwise directed.

May I ask that you provide Skills Canada BC with any updates regarding on how the coronavirus may be affecting you or your partners?

As well, please let me know if I may provide additional information.

Many thanks for your continued support of Skills Canada BC.

All the best,
