#SkillsAtHome COVID-19 Graphic Design Challenge

Are you passionate about Skilled Trades and Technology? Show off your graphic design skills and create an informational graphic about how people can prevent the spread of COVID-19 and practice social distancing. Submissions are due by **Friday, May 8th at 5:00 pm.**

Examples:

Challenge Materials

You can use any amateur graphic design platform you would like.

Here are a couple of suggestions for free, online platforms:

- **Canva** | https://www.canva.com
- **Vectr** | https://vectr.com

Challenge Instructions

1. The graphic must include information of some kind on COVID-19 information, such as sanitation and safety measures or social distancing guidelines
2. Must be in an 8.5 x 11 or 16 x 9 layout format
3. Decorations and accompanying graphics/icons can be included
4. Attention to detail and artistic design is necessary
5. Send completed graphic to Skills BC in a direct message on Facebook, Twitter or Instagram before the posted deadline.

Judging/Scoring

Submissions will be marked in the following:
