Bird Feeder Challenge

Have stuff laying around the house that you could upcycle and get creative? We have a challenge for you! Make a bird feeder out of various household items, scraps and toys and put it to work in the outdoors!

The bird feeder challenge is split into two competition groups (**Kindergarten to Grade 8, and Grades 9-12**) and winners in each group will receive a prize.

Submissions are due by **Friday, May 22nd at 12:00 PM.**
