

Dates announced for WorldSkills Lyon 2024

WorldSkills Lyon 2024 is set to take place 10–15 September 2024, following the postponement of the 46th WorldSkills Competition in Shanghai, China, by one year due to the COVID-19 pandemic. France won the bid to host the 47th WorldSkills Competition at WorldSkills General Assembly 2019 in Kazan, Russia.

It is the second time in the history of the international championship, France and Lyon will host the event. The 33rd WorldSkills Competition previously took place in 1995 at EUREXPO Lyon, the same venue that will now host WorldSkills Lyon 2024.

WorldSkills Lyon 2024 has a strong commitment to youth and their future. Despite the one-year postponement of the Competition due to the pandemic, the plan to host the global event remains the same: to inspire young people in skills, promote skills, and change the perception of vocational education and training.

The 47th WorldSkills Competition will welcome 1,400 Competitors from over 60 countries and regions to Lyon, France to celebrate skills, and to compete to be the very best young skilled professionals in the world.
