Best regards,

Elaine Allan, BA, MBA
Executive Director

Alumni Video Series

As part of National Skilled Trade & Technology Week, we are launching another Alumni Video, [Job Search by Molly Macleay](#).

Molly Macleay competed in the Skills Canada BC Job Search Competitions in 2015 and won both the Regional and Provincial competitions.

As Molly explains, the [Job Search](#) competition taught her invaluable, fundamental skills such as how to write a compelling resume and cover letter. Molly also learned interview skills which she explains can be used for the rest of your life.
