Woodworking Challenge Winners

Please join us in congratulating **Brandon**, in Grade 10 from Ecole Mission Secondary, and **Roko**, in Grade 12 from South Kamloops Secondary for competing and winning the **Woodworking Challenge**! Their entries incorporated skilled trades and were stunning and very creative! You can view their entries [here](#).

We also want to say a BIG thank you to Tyler Blair, Carpenter & Owner of 32 Millwork for judging & sponsoring this challenge.

Thank you to all those who participated in this [online challenge](#). It was a tough decision, as there were so many great, creative submissions!

Please [click here](#) to visit our online challenge web page for more upcoming challenges. Please stay tuned for the "Paper Airplane Challenge" to be released shortly!

Best regards,

Michelle Skelly
