Skills Canada BC Online Activities – Word Search Challenge (Electronics)

Looking for something fun to do this summer? Learn more about Skilled Trades and Technologies through our Online Activities, starting with the Word Search Challenges.

Please [click here](#) to open the image for this week's activity. Then, right click and select "save image as" to download it to your computer and print it. The theme for this week: **Electronics Word Search**.

There are more online activities to come shortly!

Online Challenges

We are also continuing to run our [Online Challenges](#) this summer.

Currently running is the [Design a Skills Canada BC Flag Challenge](#). Enter for the chance to win a \$50 E-gift card!

Stay tuned for the Video Production Challenge coming soon as well.

[Click here](#) to view the Online Challenge web page.

Stay safe and have a wonderful summer!

Best Regards,

Michelle Skelly
Director of Programs
Skills Canada BC
