Skills Canada BC - Nationals (Virtuals) 2021 Results

Congratulations to all competitors from British Columbia who competed in the Skills Canada National (Virtuals) 2021 competitions.

These competitors, representing both Secondary and Post-Secondary institutions from around the province, competed in skilled trades and technology competitions.

Many thanks to the National Tech Chairs, proctors, judges, education partners, supply partners, sponsors, and volunteers who helped make the Nationals (Virtuals) 2021 competitions possible.

Despite 2021 having been an extraordinary year in terms of restrictions brought about by the pandemic, the ingenuity and talents of everyone involved was inspiring.

Below are the names and competition areas for the British Columbian competitors who were awarded National (Virtuals) 2021 medals.
