A special thank you also to all the volunteers, proctors, judges, technical chairs, educators, sponsors and partners who made it possible to run these competitions. Skills Canada BC is fortunate to have their amazing support. Skills Canada BC was fortunate to have the services of 24 Proctors from Secondary Schools and Post Secondary Schools Skills to supervise competitors. Skills Canada BC is grateful for all the Secondary and Post Secondary Host sites made available which enabled BC competitors to compete Nationally.

Even during this time of disruption, it is amazing that these BC competitors worked so hard to come this far and compete at a National level. They should be very proud of their accomplishments.
