Skills Canada National Competition June 15, 2021 - Invitation and Registration

Please review the [flyer](#) and [website](#) for the invitation to students, apprentices, teachers, parents, guidance counsellors and career seekers for the upcoming [Skills Canada Virtual National Competition](#).

Date: June 15, 2021

Time: 5:30am to 1:30pm Pacific time or 8:30 a.m. to 4:30 p.m. EDT

Closing Ceremony: Will be held at 3:00 p.m. Pacific Time, 6:00 p.m. EDT.

There are fantastic prizes to be won and an **early bird prize** for registering classes or individual registration **prior to June 1**.

Students can [register for FREE](#) and participate from home even if not in class. Registration is now open.

A graphic for the Skills Canada Virtual National Competition 2021. It features a blue background with a white hexagonal frame on the left containing a photo of a person at a computer. To the right, there are two sections: "Who should attend?" and "Why you should register for this event".
