Dear valued vendor:

As you may know, due to the ongoing covid 19 pandemic, the BCTF has mandated that this year's October conference be held virtually again this year in order to protect all participants. Due to the hands-on nature of our subject area, the BCTEA executive has made the difficult decision to forego our conference for this year.

We value and appreciate the products and support that your company offers our membership on an ongoing basis. We really hope that we will be in a position to hold an in-person conference again in October of 2022, and look forward to your presence in our vendor area then.

As an association, we will still be holding an AGM on the day that the conference would have taken place. We would appreciate it if you would like to donate any gift cards e-gift cards or other items that could be given away as "door prizes" and thereby you are able to promote your business. This would be a way for you to have your company's name involved in our events this year even without a vendor display area. Please reply to this email if you are interested in this.

Thank you on behalf of the BCTEA executive,  
Andy Strothotte
