

Treasurer's Report September 2022

1. The organization has been able to accumulate reserved funds this year. As of March 17, 2022, there is a total of \$406,000 cash is available in the chequing account. This includes the \$30,000 interest free loan which is repayable by Dec 31, 2023.
2. SCBC is preparing for its annual audit for year ending August 31, 2022.
3. SCBC is developing a new Sponsorship Guide. The sponsorship market has changed considerably since 2017 when SCBC was able to obtain large cheques from LNG and related industry partners. The new guide will reflect the growing demand for smaller partners to engage with SCBC.
