

About Skills Canada BC's Provincial Competition

Skills Canada British Columbia's 2023 Provincial Competition will be held on **April 19, 2023** at the Tradex in Abbotsford, BC. More than **650 competitors in 69 trades and technology areas** will compete in fields as diverse as aerospace, automotive, 3D Animation, baking, construction, welding, robotics - and many more!

Students Grades 6 – 12 as well as post-secondary students and apprentices will compete amid a backdrop of more than **5,000 middle and high school students, career educators, industry leaders, technical experts, labour organizations and government** who attend this annual event.

Skills Canada BC provides opportunities for thousands of students to watch the competitors in action, participate in a Try-a-Trade activity, and visit the Pathways to Careers Showcase. These great activities provide unparalleled opportunities for sponsors to get front and centre with students, career educators and parents.

Opportunity To Highlight Your Business

Your sponsorship (one per event at the Provincial Competition) entitles you to:

- Become a member of the Technical Committee, and plan/assist with competition
- Present medals at closing ceremony
- Provide remarks at closing ceremony
- Provide a scholarship and/or financially support winner of the competition at the National competition
- Meet one-on-one with the Technical Chair and educators for the competition
- Post signage at the event
- Use Skills Canada BC-supplied photos and video on corporate social media
- Meet and greet with Provincial competitors
- Inclusion in electronic show guide
- Connect through awareness in Regional competitions
- Put item in swag bag for all competitors and/or attendees
- Judge on the competition day
