

Update from National Board Meetings - Board Meeting on March 27, 2024

The national board meetings took place on February 22/23, 2024.

The following topics were discussed:

- The need to continue to build the SCC brand
- Moving forward with a proposal to host the 2028 World Skills in Toronto
- Partner Round Table – the board was joined by approx. 20 industry partners to get feedback on the national competition, the SCC brand, how to engage employers during the competition and gauge interest in Toronto 2028
- The national competition – options for member organizations to host, option of extending the competition by one day, option of creating a set rotation for the competition
