

Competition Area Sponsorship

Starting at \$3,000

Event: Skills Canada British Columbia's 2025 Provincial Competition

Date and Location: April 16, 2025 at the Abbotsford Tradex

More than 600 students grades 6-12, post-secondary students and apprentices will compete in 50+ trades and technology areas in fields as diverse as aerospace, automotive, 3D animation, baking, construction, welding, robotics and many more!

Skills Canada BC provides opportunities for thousands of students to watch the competitors in action, participate in a Try-a-Skill activities and visit sponsor booths. This gives great opportunities to sponsors to get front and centre with students, career educators, industry leaders, Government, technical experts, labour organizations and parents.

What is included?

- ✔ Signage at competition area as "Official Sponsor"
- ✔ Meet and greet with Provincial Competitors
- ✔ Provide swag bag, information and/or promotional items for competitors in the specific sponsored competition area.
- ✔ Meet one-on-one with the Technical Chair and educators
- ✔ Logo on website and media screens at Tradex
- ✔ Opportunity to become a member of the Technical Committee, plan/assist with the competition and judge on competition day
- ✔ Provide a scholarship and/or financial support winner of the competition at the National Competition
