- Please take note of the following:

- Competitors are free to bring in any appliances and small tools they require, providing they fit within the .8 meters³ required dimensions of the tool chests or half rack. There are no stove tops provided. **Each competitor must bring their own induction stove or portable burner with matching butane and pots for their own use. This will not be provided by Skills BC.** However, there is a limited capacity for the use of induction stoves and microwave ovens and other electrical devices when used all at the same time due to limited electrical capacity. Please check with the Skills BC volunteers at time of competition.
- **Spray gun & compressor must be supplied by competitor.**
