Visit 50+ booths, at the Pathways to Careers Showcase, where you will be able to meet local trades and technology people, connect with post-secondary institutions such as Kwantlen Polytechnic University, Vancouver Community College, Vancouver Film School, BC Institute of Technology, and other organizations such as SkilledTradesBC, Enbridge, CN, Coast Capital, WorkSafeBC and many more!

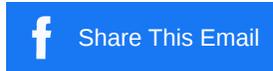

You will also be able to try your hand at a number of our Try-A-Skill activities, such as welding, landscape, bricklaying, numerous virtual reality activities, Find Your Fit, and many more!

You will also see 500+ secondary and post-secondary competitors compete in their designated trades and technologies for a spot on the podium, at our medals ceremony! These competitors are competing for the gold medal and the chance to be on Team BC, who will travel to Toronto in May, to compete at the 2026 Skills Competences Canada National Competition!

In addition, you will be able to see our very own WorldSkills competitors in action, as they train for their upcoming WorldSkills competition in September, in Shanghai!
