

Learn More About Skilled Careers

Through ChatterHigh's Daily Quiz, Skills/Compétences Canada engages students in exploring the skilled trades and technologies, opening doors to rewarding future career pathways.

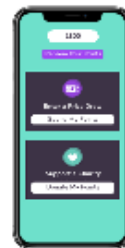

Using ChatterHigh's interactive seek-and-find approach, students gain insight into career options, the education and training they require, and the real-world skills that lead to success.

Learners access question content from anywhere

Research the answer using reputable resources

Earn points to win prizes or donate to charity

Educators easily monitor class, student, & district progress
